Heren Asp k2 500		4.5
	heren Aspiranten A K2 500	3.5
	heren Aspiranten B K2 500	1

- For events with more than 10 boats B-finals have been scheduled for events on 500 and 1000m.
- We also would like to suggest starting different Long Distance races at the same time with individual medals per class. Because Jun B – normally paddling 3000m - are involved in the start of the Man Juniors and Woman long distances the distance has been reduced to 4000m for all participants in these starts.

Mix k4:

- During the teamleaders meeting we will try to keep see if we get sufficient paddlers for full K4's, after the participants are know the organisation team will define the crews per k4
- The teaming of mixed k4's will be done with the focus on creating boats with equal speed.
- The boats will be different for the 500 and 1000m.
- The following categories will be combined in the mix k4:
 - Pup/Asp/Jun | Female & Male
 - Sen / Vet | Female & Male
- Please bring K4's to the competition that can be used by all paddlers, we will need approx. 8 k4's

Mix K2 125m:

An extra (free) event has been created **Mix K2 125** which is scheduled at the end of the competition on Sunday

The different categories are:

- Mix Pup/Asp K2 125
- Mix Jun B k2 125
- Mix Jun A k2 125
- Mix Sen/Vet k2 125

Boats can be entered until Saturday 19:00
